October 2026

Greetings to our Immanuel and Midland Nursing Alumni,

On behalf of the Immanuel-Midland Nursing Alumni Association (IMNAA) Executive Board, I send you our warmest regards.

The IMNAA proudly supports the nursing students at Midland University—the next generation of healthcare leaders. Through your generous support, our association provides annual nursing scholarships, engages with students during milestone events like the Pinning and Commitment ceremonies, and distributes encouragement goodie bags to nursing students. We also take great pride in honoring Midland's outstanding nursing faculty each year during Nurses Week.

Please join us for our annual nursing alumni luncheon and reunion on **Saturday, April 17, 2027** in the Wikert Event Center Lobby. This year, we are celebrating class years ending in 2 and 7. We encourage all nursing graduates to connect with former classmates, make plans to attend, and join us to renew lifelong memories and friendships.

During the event, we will hold a Nursing Tribute to honor alumni who have passed away since our 2026 reunion. If you know of a classmate or nursing family member who has passed, please help us honor them by submitting their information through the Midland University Alumni Website.

Midland University is actively raising funds for a state-of-the-art Health Science Facility on the Fremont campus. Thanks to a generous 2:1 matching grant from the Dunklau Foundation, Midland will receive a $1.5 million gift toward the project, bringing total raised for the Health Science Facility to over 5.6 million

To commemorate our shared legacy, IMNAA has a unique opportunity for naming rights. By raising $100,000, we can name a state-of-the art nursing lab in honor of the Immanuel-Midland Nursing Alumni Association. With more than half of our goal already met, your support can help bring this vision to life. To make a gift, submit a pledge, or to learn more about this initiative in support of the IMNAA lab naming rights or Health Science Facility, please contact Anna O'Reilly, Director of Development, oreilly@midlandu.edu or 402-941-6053.

Thank you to everyone who has paid dues and donated to support the IMNAA. If you have not had the opportunity to support us this year, it is not too late to do so. Every gift has an impact and no contribution is too small.

Dues and donations can be submitted through two convenient methods—use the direct link alumni.midlandu.edu/immanuel-nursing or send your contribution to the Alumni Office, Midland University, 900 North Clarkson Street, Fremont, NE 68025.

Thank you for your continued dedication to the legacy of Immanuel and Midland nursing.

Sincerely,

Carol J. Bohling

Carol Bohling, President
Immanuel-Midland Nursing Alumni Association
